THE "20/20 PROJECT"

The Respect Life Ministry of the Parish Community of St. Joseph in Hillsborough, New Jersey, will host an evening of information and sharing about **The "20/20 Project."** This project is a collaborative effort to attain **equal rights for babies in the womb** by passing the Pain Capable Unborn Child Protection Act in New Jersey by the year 2020. The goal is a strategic first step towards protecting babies in the womb throughout all three trimesters of pregnancy. The pro-life movement in New Jersey is seeking to accomplish this goal by educating the public about the fact that **babies in the womb feel pain.**

The presentation will be made following the 6 PM Mass on **Sunday, June 12th between 7:15 PM and 8:30 PM in St. Joseph's Parish Center.** The presenter will be **Holly Wright**, a representative of **LifeNet**, a diocesan affiliated pro-life organization located in Newark, NJ. Please join us for coffee and conversation following the presentation.
