THE MOST HOLY BODY AND BLOOD OF CHRIST

Dear All. Christ's Peace!

Eucharistic Renewal Year – Today, June 11 marks the start of the nationwide Eucharistic renewal. We will start the year with a Eucharistic procession after the 11:30 Mass, and a brief period of adoration to honor the feast and the start of the year of Eucharistic renewal.

The summer will be a quiet time for this adventure. The autumn reboot will focus on one question: "What are you saying when you say 'Amen' when receiving Communion?" It seems like a simple question and in some ways it is. In other ways, it is a profound question that invites a year of reflection. Stay tuned for more info about our renewal adventure.

Graduation News – Are you (or someone in your family) graduating from high school? Vo-Tech school? College? Grad school? Please let us know so we can share the good news with the parish. Please email Suzanne at skral@sjmillstone.com. Please put "GRADUATION" in the subject line and include the graduate's name, alma mater, and future plans. Thanks

Help us Connect with Homebound Parishioners – Our parish reaches out several times each year to remind them they are loved and not forgotten. Our next gift will go out in late June to honor Independence Day. If there is anyone who is not on our list and should be, please contact AnnaMaria at arealbuto@sjmillstone.com or 908-864-0334.

Garden Help – Our parish garden provides much fresh produce to many food-insecure neighbors. The output also goes to homebound parishioners. The garden is quite an operation. (If you have not already seen it, walk just beyond the solar panels and turn right.) Throughout the summer, the project needs weeders, waterers, and pickers. If you can do any of these and you have an hour or two to spare each week, please email Bob Ferretti at bobf@sjmillstone.com.

Thank you to everyone who contributed to the pavilion fund. In this phase, we needed to gather \$150,000 to commit to the project. As of last week, you have contributed about \$175,000. This puts our grand total at \$475,000. Current estimates indicate this will be enough to finish the basic job and undertake some associated projects. May this project glorify God and help to sustain our faith for many years. **See page 4 for more information about this project and other big physical plant projects.**

With all best blessings, **Father Hank**

BUILDING PROJECTS

Your great care for your parish has enabled us to stay on top of our significant and expensive physical plant needs. Your generosity is enabling us to steer clear of the financial quicksand of deferred maintenance. We have replaced all our roofs (\$170,000), the church's lights and audio system (\$140,000), and several boilers and AC compressors (\$90,000). With a good deal of outside help, from external donors and government grants, we have installed a new generator (\$40,000) and a security video system (\$35,000). Between June 1, 2016 and June 1, 2023, we spent a total of \$650,000 to keep our house in order.

We are about to spend even more than that in a short time. I want you to understand the projects, their timing, and their funding.

The Pavilion – We are about to build a pavilion to replace the tent that has become a centerpiece of parish life. The project is estimated to cost \$450,000. We now have enough money to complete the project, allowing for 10% overages. It will be funded entirely by restricted gifts. Our operating account will not pay any of these bills. There is a three-month lead on the pavilion itself – which will be built in Lancaster, taken apart, and rebuilt here. The sitework will begin in late summer and we hope to dedicate it in October. The prep work is the hardest part -removing pavement, leveling the ground, bringing in electricity, pouring the footings. The actual assembly of the pavilion will take only four days.

The Church HVAC – Our current equipment is on borrowed time. We are undertaking replacement now, so we do not have to do it on a much more costly emergency basis. The project will cost about \$450,000. I will submit our proposal to the diocesan consultants later this month. Assuming the permissions are granted, we can order the machinery in July. Because there is a seven-month wait period for the equipment we need, construction will begin next spring. Each of the three firms that has bid on the project has assured us we will have heat and AC throughout the installation period. Let's hope for no big snafus until then! We currently have \$184,000 in cash earmarked for this project. Given our capital-improvement saving rate of \$8,333/month, we will have an additional \$67,000 when the project begins. That translates into \$251,000 in the bank before we start the project. We are also expecting that a one-time transfer to the parish of \$190,000 will be made before construction begins. Barring unforeseen calamities, all of that money will go to the HVAC. Hence, we will have \$440,000 put aside for the project. This would cause a net reduction of parish savings of \$30,000 – \$50,000. Your generosity enables us to get things done right and on time.

Church Painting – The walls in the Gathering Space, the church hallways, and the Worship Space itself are showing their age. The cracks are easier and easier to

see and the paint does not look spiffy. We are gathering three bids for painting plans from diocesan-approved church-design firms. The first bid came in at \$105,000. I expect the others to be in the same neighborhood. We currently have \$72,000 in restricted gifts earmarked for the painting. If everything goes VERY well, we might be able to paint this summer.

Overall Cash – Again, your generosity makes all the difference. In recent years, we have spent \$650,000 on required work. At the same time, our cash balances have grown from about a half million dollars to their current level of \$1,541, 276. Of that, \$850,000 is neither "restricted" nor "unavailable." This is just about what this fund should be this year. My best guess is that the church painting will consume about \$30,000 of the \$850,000. The HVAC will consume another \$75,000, at most. Thus, after completing the next three projects, at a total expense of about \$1,000,000, our unencumbered cash reserves will decline by only \$100,000. This is possible only because your generosity enables us to stash away \$8,000 every month.

I fully realize that we have many slightly optimistic assumptions built into this outlook (i.e., the \$180,000 gets here on time, the costs do not escalate enormously, etc.), but the assumptions reflect our history, a history of great commitment by all parishioners and hard work by the councils and staff to minimize costs and maximize outside help.

There will be much activity in the upcoming months. We will have some minimal disruptions in normal operations and we will experience a slight, and probably temporary, reduction in our cash balances. But all of these projects promise to glorify God and to enrich our lives as priest, prophets, and queens/kings.

It is a great privilege to be your pastor. I send this with great blessings and enormous thanks – and hope you are able to move into something of a summer mode and all that mode promises.

We are one

Unity is what our sacrament of Communion is about: oneness with God and each other. Yet, because we're human, that communion is necessarily paired up with another sacrament that does the work of reconciling. When unity gets torn, reconciliation repairs the damage. Lately, toxic polarization has been shredding our national unity, creating an illusion of insurmountable division. Media sources sharpen the knives of contrasting worldviews, leading to anxiety and depression, fear and violence. Trust in unity. Resist being recruited in the polarization game.

Unexpected blessings

In the Sermon on the Mount, Jesus offers the Beatitudes, a list of those who are blessed—some of whom are not who listeners would expect to hear are blessed: the poor in spirit, the mournful, the meek, and the persecuted. In some Bible versions, "blessed" is translated as "happy," which makes it even harder to believe that those named could possibly be that! Jesus was always turning conventional wisdom inside out and upside down—enlightening and enraging people alike. Two thousand years later, we're still trying to figure out how to be happy. If pursuing what the world says "should" make you happy doesn't, take a cue from Jesus and try flipping that faulty logic on its head!

"Rejoice and be glad, for your reward will be great in heaven."

Go for the grandeur

Church historian Sophronius Clasen liked to say Saint Anthony preached the "grandeur of Christianity," using allegory and symbolic explanations to convey biblical wisdom. Anyone can spot such examples in the Sermons of Saint Anthony, including: "Genesis says: The spirit of God moved over the waters Just as the mind of a craftsman broods over the work he is going to do, and as the bird broods over the egg from which her young will be hatched, so the Spirit of God brooded over the waters, from which were to be made all things." Let Anthony's words stir your heart today.

A salute to justice

On this day each year, the United States commemorates the adoption of the national flag, our venerable Stars and Stripes. "A new constellation," it was said to represent, in the vast array of the world powers. But as we, in Christian charity, work for a better world as good and faithful Americans, we must be careful to live as citizens of heaven first and foremost, workers of light rather than earthly empire, children of God and not of worldly dominion. May our Flag Day commemorations also remember those who have been forgotten in the American project and whose cries for justice

may still be unanswered. May our waving of "Old Glory" be for the glory of the God above all.

TODAY'S READINGS: 2 Corinthians 3:4-11; Matthew 5:17-19 (361).

"For if what was going to fade was glorious, how much more will what endures be glorious."

The law as Jesus taught it

Matthew uses the word "righteousness" seven times in his gospel. What is he getting at? The U.S. bishops boil it down to this: "While righteousness in the new age will continue to mean conduct that is in accordance with the law, it will be conduct in accordance with the law as expounded and interpreted by Jesus." In other words, we need to absorb the full example and teachings of Jesus to live a righteous life. That's a tall order, which is precisely why we need each other for support and guidance. How can you support a fellow disciple today?

TODAY'S READINGS: 2 Corinthians 3:15—4:1, 3-6; Matthew 5:20-26

(362). *"I tell you, unless your righteousness surpasses that of the scribes and Pharisees, you will not enter into the Kingdom of heaven."*

Put your heart into it

On May 25, 1899, Pope Leo XIII promulgated the encyclical *Annum sacrum*, which consecrated the entire world to the Sacred Heart of Jesus. Leo called this the "great act" of his papacy. In an interview with Catholic News Service, Father Ambrose Dobrozsi of the Archdiocese of Cincinnati says that this solemnity, "shows that humanity still needs and longs for a compassionate and all-powerful God. ... In a society where some live in decadence and prideful luxury while others are destitute, the burning love of Christ's Sacred Heart reminds us that the fires of his mercy are also fires of justice." Consecrate your own heart to the effort to create a more compassionate and just world.

SOLEMNITY OF THE MOST SACRED HEART OF JESUS

TODAY'S READINGS: Deuteronomy 7:6-11; 1 John 4:7-16; Matthew 11:25-30 (170). *"Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves."*

A heartfelt conversion is possible

Most of us would rather not reveal our inner lives since we often harbor some measure of anger, judgment, prejudice, hatred, lust, envy, jealousy, bitterness, resentment, and fear. Jesus said that all evil in the world springs forth from the human heart. But the Immaculate Heart of Mary is a celebration of a different kind of inner life, with virtues beyond measure and beyond our imagination. Mary, the ultimate intercessor, will help us convert the vices of the heart into virtues.

MEMORIAL OF THE IMMACULATE HEART OF THE BLESSED VIRGIN MARY
